February 10, 2013

Dear Conservation Partners,

The mission of the Rocky Mountain Elk Foundation is to ensure the future of elk, other wildlife and their habitat. Since 1984, we have protected and enhanced over 6 million acres of wildlife habitat. We also support conservation education programs and help restore wild elk herds. Along the way, we have helped open access to nearly half a million acres for public hunting and other recreation.

Join us on Saturday, June 1st, for our Annual Banquet at South Point Casino Hotel in the Napa Ballroom. This is one of Las Vegas' premier wildlife conservation banquets of the year. You could be a part of the program and reach all of these potential or present customers by joining us with the purchase of one our 4 Table Packages. Your participation provides you with a unique tax-deductible opportunity to grow your business. What a great way to promote your business, play a key role in conserving our natural resources, and take the benefits of our table packages to treat some of your key employees, clients, or friends to a fun filled evening at the South Point Casino Hotel.

Our various table packages offer a delicious meal, guns or bows for your table, drawings and raffle tickets to win thousands of dollars in merchandise and exclusive chances at "Sponsor-Life Member Only" drawings for each guest at your table.

Please consider the Rocky Mountain Elk Foundation this year while completing your charitable budgets. The Rocky Mountain Elk Foundation is a licensed 501(c) 3 charitable organization; for more information on our good works go to www.rmef.org.

Attached are pages outlining the various Table Packages available to you this year. As a business professional you know the value of community exposure and leadership. We know what the value of your contribution and partnership carries. Together, we can help achieve each other's goals while ensuring the "wild experience" for generations to come! We sincerely want to thank you for considering RMEF this year.

If you have any questions, please do not hesitate to call. I am available to answer your questions and help you choose the Table Package that best fits your goals and budget. My cell phone number is 702-461-3418. I look forward to hearing from you.

Sincerely,
