Mr. Turner:

I am in receipt of your letter dated August 16, 2012 requesting that I initiate an audit of the gun registration policy in Clark County. Please be advised that I do not intend to authorize an audit of this program at this time. Given the fact that the County has lost roughly 23% of its staffing over the last several years as a result of the recession, we must focus our limited Auditing staff on areas of high risk in the County. However, it is my understanding that the Sheriff has provided Commissioner Collins' office with information in response to the request you have submitted, and it's also my understanding that the information has been shared with you. If that is not the case, I would encourage you to contact Commissioner Collins' office.

Sincerely,

DONALD G. BURNETTE
County Manager
